**1-17-12**

The Garden Grove Unified School District is seeking qualified volunteers to serve on the independent Bond Oversight Committee (BOC) for the implementation of Measure A, the \$250 million school modernization bond measure approved by GGUSD voters in the June 2010. In particular, the district is actively seeking a potential BOC member active in a bona-fide taxpayers association.

The application is available online from the district's website at [www.ggusd.us](http://www.ggusd.us) or from the Public Information Office at (714) 663-6503. Completed applications must be received by the Public Information Office, Garden Grove Unified School District, 10331 Stanford Ave., Garden Grove 92840, or faxed to (714) 663-6100 no later than 4 p.m. on March 16, 2012. All committee members must be GGUSD residents and be at least 18 years old.

The committee provides transparency and maintains public confidence in the use of Measure A bond proceeds. California state law requires that a BOC be appointed by the Board of Education to monitor bond expenditures and ensure no bond revenues are appropriated for teacher or administrator salaries, or general district operating expenses.

The committee generally meets several times yearly, with all meetings open to the public. Membership is voluntary and without compensation. Employees, vendors, contractors, consultants, or GGUSD officials are ineligible for appointment to the committee. New committee members will be appointed to two-year terms, starting May 10, 2012 and ending May 9, 2014.

For additional information, call the district's Public Information Office at (714) 663-6503, or go online to 'Measure A' link from the GGUSD website, or navigate directly to [www.ggusd.us/measurea.html](http://www.ggusd.us/measurea.html).
