The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

The following Plan components are addressed in the School Plan for Student Achievement as indicated below:

SECTION A (Sections 1 – 4 will be addressed through the process of data analysis and completion of the Action Plan)

(1) Data Analysis Tool: Comprehensive Needs Assessment

| GOAL 1 Data Review |
|---------------------------|

As you review your Goal 1 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

| Key Questions | Analysis |
|--|--|
| <p>Highlight Strengths: Which data reflected strengths for your school?</p> | <p>Goal 1A - Anthony's data continues to be at or above the district average. Goal 1B - Even though Anthony's demographics have changed, the degree of change in test scores is less dramatic. Overall, our English Learners continue to make growth toward English Language Proficiency. (CELDT scores continue to indicate growth) Goal 1C - There always continues to be room for improvement. Our data shows that Anthony's students have a strong sense of scholarly habits, work habits and self-management/self-regulation.</p> |
| <p>Which prior year action steps have contributed to these areas of strength?</p> | <p>Newly adopted ELA and Math/Irvine Math Project curriculum Continued site Instructional Leadership Team (ILT) Site trainings provided to teachers, as needed, with TOSA for instructional focus and support Weekly site collaboration time provided for teachers Instructional trainings and discussions at monthly staff meetings GATE Cluster teachers receive regular trained</p> |
| <p>Highlight Areas for Growth: Which data reflected areas of growth needed for your school?</p> | <p>Goal 1A - Students showed growth on district Language Arts but dropped slightly in the area of Math. Goal 1B - EL's are demonstrating higher reclassification rate than district average; while annual progress measured on CELDT remains steady in Language Arts and dropped slightly in math. Goal 1C - Continue to support students with scholarly habits in the classroom and school wide.</p> |
| <p>How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)</p> | <p>Site and district trainings to support better understanding of State Common Core Standards Continue the focus on new ELD curriculum - District and Site Training and collaboration Before school intervention - Imagine Learning / After School Intervention - SIPPS Monthly scholarly habit awards at Flag Deck /</p> |
| <p>Other Key Findings: What does your overall data show regarding progress towards goals?</p> | <p>Demographics are continuing to change and student numbers have decreased over the past 3 year.</p> |

School Plan for Student Achievement Annual Evaluation

Pursuant to California Education Code Section 64001(g), the School Site Council (SSC) must evaluate at least annually the effectiveness of planned activities. In the cycle of continuous improvement of student performance, evaluation of the results of goals will provide data to inform and guide subsequent plans. The school must be able to provide evidence of the evaluation process to determine if the needs of students are being met by the strategies described in the SPSA.

| Section | Annual Evaluation Summary Description Use the guiding questions above and provide a summary response for each area of evaluation. |
|---------------------------|--|
| Plan Priorities | Goal 1A - Students showed some growth on district Language Arts but dropped slightly in the area of Math. Focus needed in both areas Goal 1B - EL's are demonstrating higher reclassification rate than district average; while annual progress measured on CELDT remains steady in Language Arts and dropped slightly in math. |
| Plan Implementation | Continued site Instructional Leadership Team (ILT) Site trainings provided to teachers, as needed, with TOSA for instructional focus and support Weekly site collaboration time provided for teachers Instructional trainings and discussions at monthly staff meetings GATE Cluster teachers receive regular trained Continued the focus on new ELD curriculum - District and Site Training and collaboration Before school intervention - Imagine Learning / After School Intervention - SIPPS |
| Strategies and Activities | ILT - focus on SGRI and relational knowledge math lessons Training on how to use IAB assessments Data Analysis of IAB and Benchmark, and "Next Steps" planning |
| Involvement/ Governance | SSC members were involved at meetings, input gathered Plan monitored throughout the year with student data |
| Outcomes | Teachers and principal will analyze the SBAC, LCAP and benchmark data and create the topics and discussions for staff meetings, grade level meetings and professional development throughout the year. |

School Parental Involvement Policy: 2018-19

Involvement of Parents in the Title I Program & Building Capacity for Involvement

Our school engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. The state identified twelve requirements, which have been organized into six categories based on the framework of six types of parental involvement: parenting, communicating, volunteering, learning at home, decision making, and collaborating with the community. To help reach these goals, and involve parents in the Title I program at our school, the following practices have been established:

PARENTING: Help all families establish home environments to support children as students.

- 1. Our school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. Our school provides parents of Title I students with timely information about Title I programs.**
- 2. Our school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening, including multiple opportunities for parent education programs.**

The school provides parents with information about the school's participation in and the requirements of programs such as, Title I, English Learners (EL), Special Education, Gifted and Talented Education, and the LEA plan. The school organizes opportunities for parents to be involved throughout the school year. Information regarding the school's programs and their rights to be involved will be distributed to parents at the beginning of the school year. The school will schedule ongoing parent meetings to disseminate information regarding Title I and other school programs.

- The schedule of parent meetings and parent education opportunities are disseminated to parent through electronic messaging, school website, newsletters, School Messenger, etc. (Personal phone calls, as needed)
- A calendar of parent meetings and events is distributed to families. A copy is available in the school office and website.
- Parent meetings include: (List with dates/times/location)

COMMUNICATING: Design effective forms of school-to-home and home-to-school communications about school programs and children's progress.

- 3. Our school distributes information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand.**
- 4. ACCESSIBILITY: The school provides opportunities for the participation of all Title I parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand.**
- 5. Our school has developed a written Title I parental involvement policy with input from Title I parents. It has distributed the policy to parents of Title I students. The**

policy describes the means for carrying out Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].

Parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, identify their home language and preferred correspondence language during school registration. For language needs exceeding 15% of the school population, information will be made available in those languages. All notices, flyers, newsletters, etc., are translated by either school staff or the translators at the ARC. School community liaisons are available to provide interpretation for parent meetings, parent conferences, and other activities at the school site.

- The school developed the policy with parent input gathered through surveys, parent meetings, School Site Council meetings, ELAC meetings...
- The school distributes the policy via the website, parent-teacher conferences, back-to-school night, back-to-school parent information packets, and PeachJar. The policy is also available in the school office.

VOLUNTEERING: Recruit and organize parent help and support.

6. Our school provides support for parental involvement activities requested by Title I parents.

7. With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and in how to work with parents as equal partners.

Parents will be provided with information on how to become involved in school or district parent governance committees, parent organizations, parent education groups, or other parent volunteer opportunities.

The annual parent survey provides parents an opportunity to provide input into parent involvement needs. These results from the survey are shared with staff and parents, which help to guide the action planning process for the school site.

LEARNING AT HOME: Provide information and ideas to families about how to help students at home with homework and other curriculum-related activities, decisions, and planning.

8. Our school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.

9. Our school provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children. Our school provides parents with materials and training to help them work with their children to improve their children's achievement.

Teachers explain the curriculum and assessments used to measure student progress at Back-To-School Night and parent-teacher conferences. The principal will share additional information with parents during other parent meetings.

Parent education opportunities, such as Boys Town Common Sense Parenting and OC Safe from the Start

DECISION MAKING: Include parents in school decisions, developing parent leaders and representatives.

10. If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children.

11. Our school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.

The review of the School Parental Involvement Policy is included as part of the annual review of the School Plan for Student Achievement (SPSA). The policy is updated periodically to meet changing needs of parents and the school. The school has a process in place for involving parents in planning and designing the school's programs, the

school may use that process if it includes adequate representation of parents of Title I children [20 USC 6318 Section 1118(c)(3)]. The district provides a timeline for requirements related to Title I, parent involvement, SSC and ELAC topics to be discussed, as well as the process of reviewing and developing the SPSA, including this parental involvement policy.

The school invites parents to participate on the School Site Council and other parent committees. Parents are also involved in the development of the school plan and are given an opportunity to provide feedback into school actions through meetings and the annual parent survey.

COLLABORATING WITH THE COMMUNITY: Identify and integrate resources and services from the community to strengthen school programs, family practices, and student learning and development.

12. Our school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.

The District's Parent and Community Outreach Department provides guidance, support, and training to parents, teachers, administrators, and support staff. The activities of the Parent and Community Outreach include:

- Providing professional development opportunities in parent education programs
- Serving as a link to parent and community resources
- Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites
- Coordinating parent education and community outreach meetings

Our school has designated staff and/or school-community liaisons that provide outreach to families, serve as a resources for parents, and collaborate with the community to support parents and families. The district and school have partnerships with community agencies to offer afterschool programs, counseling and mental health services, health and safety programs, and tutoring programs that serve to support student learning and development.

SCHOOL-PARENT COMPACT

Our school distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- The school's responsibility to provide high-quality curriculum and instruction
- The ways parents will be responsible for supporting their children's learning
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities

SECTION E: ESTABLISHMENT OF THE SCHOOL SITE COUNCIL (SSC)

***RECORDS MUST BE RETAINED FOR 3 YEARS**

Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must, in addition, be equal numbers of students and parents or other community members selected by parents. Teachers, other school personnel, parents and (at secondary schools) students select representatives to the council (Education Code 52012). The Council must have at least 10 members at elementary sites and 12 members at secondary sites.

Composition of an Elementary School Site Council

Composition of a Secondary School Site Council

Describe each of the following steps in the establishment of the school site council (Education Code Section 52012). Note that replacement of school site council members must be through peer selection, not appointment, unless the replacement is for the remainder of the school year.

a. Peer selection process: The council shall be composed of the principal and representatives of teachers selected by the school, other school personnel selected by other personnel at the school, parents of pupils attending the school selected by such parents, and in the secondary school, pupils selected by pupils attending the school. The peer selection process may include:

- Back To School Night Election:** In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians to vote. Parents from last year's SSC count the ballots.

b. Members' terms of office: Members will serve one- or two-year terms.

c. Procedure for replacing a member:

The procedure for replacing a member shall be pre-determined. Recommended procedures include:
