**District Mission**

The Board of Education of the Garden Grove Unified School District is committed to providing an educational program focusing on student achievement, high standards, and opportunities for all students to acquire the knowledge and skills necessary to live a productive life.  
To meet this commitment, students will participate in a comprehensive curriculum designed to achieve the identified goals.

**District Goal**

It is the goal of the district to ensure that all students have the opportunity upon leaving high school to choose from a wide variety of options including four-year colleges and universities, technical education, or a skilled career. The opportunity to choose among these paths requires that students achieve proficiency as defined by state standards in core academic subjects (Goal 1) and achieve proficiency in the use of the English language (Goal 2). These proficiencies will make it possible for students to access rigorous high school courses and enable them to graduate ready for college and skilled careers.

*At elementary schools, the council must be constituted to ensure parity between (a) the principal, classroom teachers and other school personnel and (b) parents of pupils attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must, in addition, be equal numbers of students and parents or other community members selected by parents. Teachers, other school personnel, parents and (at secondary schools) students select representatives to the council (Education Code 52012). **Composition of an Elementary School Site Council**

**Composition of a Secondary School Site Council**

**Describe each of the following steps in the establishment of the school site council (Education Code Section 52012). Note that replacement of school site council members must be through peer selection, not appointment, unless the replacement is for the remainder of the school year.**

**a. Peer selection process:** The council shall be composed of the principal and representatives of teachers selected by the school, other school personnel selected by other personnel at the school, parents of pupils attending the school selected by such parents, and in the secondary school, pupils selected by pupils attending the school. The peer selection process may include:

2. Back To School Night Election: In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians to vote. Parents from last year's SSC count the ballots.

**b. Members' terms of office:** Members will serve one- or two-year terms.

**c. Procedure for replacing a member:** The procedure for replacing a member shall be pre-determined. Recommended procedures include:

1. Mid-year elections may be held.
2. Members are replaced using a peer selection process.
3. Volunteers may be asked to complete the year, a replacement will be appointed, and elections will be held in October of the following school year.

**SECTION E: ESTABLISHMENT OF THE ENGLISH LEARNER ADVISORY COMMITTEE (ELAC)**

*Each school with 21 or more English learners (EL) in attendance, regardless of language, must form a functioning English Learner Advisory Committee (ELAC) or subcommittee of an existing advisory committee. Education Code (EC) 62002.5 establishes the regulations that govern the ELAC.*

***Composition of English Learner Advisory Committee***

**COMPOSITION REQUIREMENTS**

*The percentage of parents of English learners on the committee must be the same or greater than the percentage of English learners at the school. There is no guidance that dictates the size of the committee, but should be of adequate size to fairly represent the population of English learners attending the school.*

**Describe each of the following steps in the establishment of the English Learner Advisory Committee (Education Code Section 62002.5).**

**a. Voting Process by parents of English learners:** An election is held in which all parents of English learners have an opportunity to vote and in which the parents or guardians of English learners elect the members of the committee. The peer selection process may include:

1. Ballot By Mail: In the letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with each English learner for parents to vote. Parents from last year's ELAC handle this process and count the ballots.
2. Voice Vote: In the letter, we encourage all parents and school personnel to attend a meeting where information about ELAC will be provided and elections will be held at the school site. At this meeting, nominations are taken from the floor for ELAC membership and would be elected at that time by voice vote of parents and guardians of English learners. The required percentage of parents of English learners depends on the number of English learners at your school.
3. Back To School Night Election: In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time.
