District Mission

The Board of Education of the Garden Grove Unified School District is committed to providing an educational program focusing on student achievement, high standards, and opportunities for all students to acquire the knowledge and skills necessary to live a productive life. To meet this commitment, students will participate in a comprehensive curriculum designed to achieve the identified goals.

District Goal

It is the goal of the district to ensure that all students have the opportunity upon leaving high school to choose from a wide variety of options including four-year colleges and universities, technical education, or a skilled career. The opportunity to choose among these paths requires that students achieve proficiency as defined by state standards in core academic subjects (Goal 1) and achieve proficiency in the use of the English language (Goal 2). These proficiencies will make it possible for students to access rigorous high school courses and enable them to graduate ready for college and skilled careers.

SECTION E: ESTABLISHMENT OF THE SCHOOL SITE COUNCIL (SSC)

At elementary schools, the council must be constituted to ensure parity between (a) the principal, classroom teachers and other school personnel and (b) parents of pupils attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must, in addition, be equal numbers of students and parents or other community members selected by parents. Teachers, other school personnel, parents and (at secondary schools) students select representatives to the council (Education Code 52012). The Council must have at least 10 members at elementary sites and 12 members at secondary sites.

Composition of an Elementary School Site Council

Composition of a Secondary School Site Council

Describe each of the following steps in the establishment of the school site council (Education Code Section 52012). Note that replacement of school site council members must be through peer selection, not appointment, unless the replacement is for the remainder of the school year.

a. Peer selection process: The council shall be composed of the principal and representatives of teachers selected by the school, other school personnel selected by other personnel at the school, parents of pupils attending the school selected by such parents, and in the secondary school, pupils selected by pupils attending the school. The peer selection process may include:

1. Ballot By Mail: In a letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with all students for parents to vote. Parents from last year's SSC handle this process and count the ballots.
2. Back To School Night Election: In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians to vote. Parents from last year's SSC count the ballots.

b. Members' terms of office: Members will serve one- or two-year terms.

c. Procedure for replacing a member: The procedure for replacing a member shall be pre-determined. Recommended procedures include:

1. Mid-year elections may be held.
2. Members are replaced using a peer selection process.
3. Volunteers may be asked to complete the year, a replacement will be appointed, and elections will be held in October of the following school year.
