## GOAL 3 Data Review

As you review your Goal 3 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p><b>Highlight Strengths:</b> Which data reflected strengths for your school?</p>	A-G Trending up 5%, EAP College readiness in Math increased 3%. AP enrollment rates gained 4.21% since 13-14. AP Pass rate for Bryant is higher than the district average.
Which prior year action steps have contributed to these areas of strength?	CCMP
<p><b>Highlight Areas for Growth:</b> Which data reflected areas of growth needed for your school?</p>	A-G Completion and Passage Rate
How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)	Elementary AVID Extended Learning, CCMP, Improve Truancy Measures, Meet with Parents to improve chronic tardies and absences,
<p><b>Other Key Findings:</b> What does your overall data show regarding progress towards goals?</p>	More students are accessing college than ever before.

**School Plan for Student Achievement Annual Evaluation**

Pursuant to California Education Code Section 64001(g), the School Site Council (SSC) must evaluate at least annually the effectiveness of planned activities. In the cycle of continuous improvement of student performance, evaluation of the results of goals will provide data to inform and guide subsequent plans. The school must be able to provide evidence of the evaluation process to determine if the needs of students are being met by the strategies described in the SPSA.

Section	Annual Evaluation Summary Description Use the guiding questions above and provide a summary response for each area of evaluation.
<b>Plan Priorities</b>	Bryant's Top Priorities from the 2017 SPSA: 1. Increase Opportunities for Extended Learning in Math, 2. Increase Proficiency in ELA to Ensure College Access, Increased differentiation for English Learners 3. Provide Quality Enrichment to Enhance a Positive Climate
<b>Plan Implementation</b>	<p>Strategies in the 2017 SPSA that were Fully Implemented: 1. ST Math license was available in the fall, teachers were trained. After school ST Math Interventions started in early October 2017 and continued through out the year using benchmark data to select students. 2. Full-time reading intervention teacher was fully funded and used DIBELS &amp; Benchmark Data to provide reading intervention to targeted groups of students. 3. Bryant continued to offer quality after school programs such as Spanish Heritage Club, Kids Run The OC. In Spring, our school began an AVID after school program to promote our college going-culture and enhance our students scholarly habits and motivation.</p> <p>Strategies that were not fully implemented: This year, we were not able to fund our chess or soccer (Pure Game) instruction at recess due to limited LCFF funds. Many students and parents have requested that the chess lessons continue because it builds motivation, so we have prioritized it for our 2018 SPSA.</p>
<b>Strategies and Activities</b>	<p>Effective Strategies for Improving Achievement: Implementation of ST Math for extended learning and practice outside of the GGUSD math block, Reading Math Mindset by Jo Boaler (book) and discussing implications for teaching math as a staff.</p> <p>Evidence: The two classrooms that had the highest weekly minutes of ST Math (aprox. 60 minutes/week), had the highest Math Benchmarks of their grade level. The theme of "growth mindset" was implement across grade levels in math. This supported our implementation of Irvine Math Project Lessons that are an important part of the math pacing. Our reading intervention teacher collaborated with all grade levels to provide targeted support in reading and writing, which has been the most effective academic intervention to date.</p> <p>Ineffective Strategies &amp; Rationale:</p> <p>Recommendations: This Spring Bryant's community liaisons were trained in a variety of district parenting classes, in the 2018 SPSA, Bryant would like to offer more opportunities for parenting classes in English, Spanish and Vietnamese. We are going to continue our Reading Intervention teacher because of the positive DIBELS data that shows student growth over time for those who participated in the small-group interventions.</p>

<p><b>Involvement/ Governance</b></p>	<p>SSC was involved in the development of this plan through the quarterly SSC Meetings. The ELAC representatives at our quarterly meeting evaluated program information and collaborated in the development of the new SPSA. Through monthly Grade Level Chair meetings, staff was able to give input to our program priorities. Principal would also report on planned activities and outcomes at the monthly PTO meetings. In summary, all stakeholders are invited to give input regularly at a variety of meetings (GLC, GGEA Site Meetings, PTO &amp; SSC Meetings). Activity highlights were showcased on the school's public twitter page, Bryant website and weekly newsletter to staff.</p>
<p><b>Outcomes</b></p>	<p>Although preliminary, the 2018 SBAC scores are showing positive growth in the core areas of ELA and Math, which was the primary goal of our 2017 SPSA. We were consistently able to provide extended learning in Math through all three trimesters, which was a program goal. Our students improved their reading comprehension through targeted professional development (ILT) and a focus on the unique needs of English Learners, who comprise about 60% of Bryant Students. Full day ILT substitute release days were used to evaluate and reflect on EL writing (Fall Writing Prompt) and the Academic Language of English Learners through "EL Shadowing in the Spring using our ILT substitutes. Teachers reflected on how their collaboration cycle (PDAR) could better meet the needs of English Learners. Although both Math and ELA showed progress on our benchmarks, there remains a gap between our ELA and Math achievement. Our SPSA will continue to prioritize extended learning in math and ways to close this achievement gap so that our students can achieve at high levels comparable to GGUSD as a whole.</p>

## School Parental Involvement Policy: 2018-19

### **Involvement of Parents in the Title I Program & Building Capacity for Involvement**

Our school engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. The state identified twelve requirements, which have been organized into six categories based on the framework of six types of parental involvement: parenting, communicating, volunteering, learning at home, decision making, and collaborating with the community. To help reach these goals, and involve parents in the Title I program at our school, the following practices have been established:

#### **PARENTING: Help all families establish home environments to support children as students.**

- 1. Our school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. Our school provides parents of Title I students with timely information about Title I programs.**
- 2. Our school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening, including multiple opportunities for parent education programs.**

The school provides parents with information about the school's participation in and the requirements of programs such as, Title I, English Learners (EL), Special Education, Gifted and Talented Education, and the LEA plan. The school organizes opportunities for parents to be involved throughout the school year. Information regarding the school's programs and their rights to be involved will be distributed to parents at the beginning of the school year. The school will schedule ongoing parent meetings to disseminate information regarding Title I and other school programs.

- The schedule of parent meetings and parent education opportunities are disseminated to parent through electronic messaging, school website, newsletters, School Messenger, etc.
- A calendar of parent meetings and events is distributed to families. A copy is available in the school office & our school website.
- Parent meetings include: Monthly PTO meetings, Padres en Accion, ST Math (Jiji), Family Literacy Nights, etc.

#### **COMMUNICATING: Design effective forms of school-to-home and home-to-school communications about school programs and children's progress.**

- 3. Our school distributes information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand.**
- 4. ACCESSIBILITY: The school provides opportunities for the participation of all Title I parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand.**
- 5. Our school has developed a written Title I parental involvement policy with input from Title I parents. It has distributed the policy to parents of Title I students. The**

**policy describes the means for carrying out Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].**

Parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, identify their home language and preferred correspondence language during school registration. For language needs exceeding 15% of the school population, information will be made available in those languages. All notices, flyers, newsletters, etc., are translated by either school staff or the translators at the ARC. School community liaisons are available to provide interpretation for parent meetings, parent conferences, and other activities at the school site.

The school developed the policy with parent input gathered through surveys, parent meetings, School Site Council meetings, ELAC meetings & PTO. The school distributes the policy via the website, parent-teacher conferences, back-to-school night, back-to-school parent information packets. The policy is also available in the school office.

**VOLUNTEERING: Recruit and organize parent help and support.**

**6. Our school provides support for parental involvement activities requested by Title I parents.**

**7. With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and in how to work with parents as equal partners.**

Parents will be provided with information on how to become involved in school or district parent governance committees, parent organizations, parent education groups, or other parent volunteer opportunities.

The annual parent survey provides parents an opportunity to provide input into parent involvement needs. These results from the survey are shared with staff and parents, which help to guide the action planning process for the school site.

Through staff meetings and professional development opportunities, teachers and other staff are educated about the value of parent contributions and how to work with parents as equal partners. Staff are to facilitate parent education programs, such as 10 Educational Commandments, 40 Developmental Assets, PESA, etc. Parents are also invited to participate in special program, such as Padres en Accion and the Readiness on the Road early literacy program.

**LEARNING AT HOME: Provide information and ideas to families about how to help students at home with homework and other curriculum-related activities, decisions, and planning.**

**8. Our school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.**

**9. Our school provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children. Our school provides parents with materials and training to help them work with their children to improve their children's achievement.**

Teachers explain the curriculum and assessments used to measure student progress at Back-To-School Night and parent-teacher conferences. The principal will share additional information with parents during other parent meetings.

- "other parent meetings" – Literacy Night, Parent Math Workshops
- Parent nights to explain the Academic Content Standards, assessments and transition to kindergarten and middle school.
- Parent education opportunities, such as the 10 Educational Commandments, 40 Developmental Assets

## **DECISION MAKING: Include parents in school decisions, developing parent leaders and representatives.**

- 10. If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children.**
- 11. Our school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.**

The review of the School Parental Involvement Policy is included as part of the annual review of the School Plan for Student Achievement (SPSA). The policy is updated periodically to meet changing needs of parents and the school. The school has a process in place for involving parents in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents of Title I children [20 USC 6318 Section 1118(c)(3)]. The district provides a timeline for requirements related to Title I, parent involvement, SSC and ELAC topics to be discussed, as well as the process of reviewing and developing the SPSA, including this parental involvement policy.

The school invites parents to participate on the School Site Council and other parent committees. Parents are also involved in the development of the school plan and are given an opportunity to provide feedback into school actions through meetings and the annual parent survey.

## **COLLABORATING WITH THE COMMUNITY: Identify and integrate resources and services from the community to strengthen school programs, family practices, and student learning and development.**

- 12. Our school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.**

The District's Parent and Community Outreach Department provides guidance, support, and training to parents, teachers, administrators, and support staff. The activities of the Parent and Community Outreach include:

- Providing professional development opportunities in parent education programs
- Serving as a link to parent and community resources

The district and school have partnerships with community agencies to offer afterschool programs, counseling and mental health services, health and safety programs, and tutoring programs that serve to support student learning and development.

## **SCHOOL-PARENT COMPACT**

Our school distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- The school's responsibility to provide high-quality curriculum and instruction
- The ways parents will be responsible for supporting their children's learning
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities

#### SECTION E: ESTABLISHMENT OF THE ENGLISH LEARNER ADVISORY COMMITTEE (ELAC)

**\*RECORDS MUST BE RETAINED FOR 3 YEARS**

Each school with 21 or more English learners (EL) in attendance, regardless of language, must form a functioning English Learner Advisory Committee (ELAC) or subcommittee of an existing advisory committee. Education Code (EC) 62002.5 establishes the regulations that govern the ELAC.

<b>Composition of English Learner Advisory Committee</b>	<b>Describe each of the following steps in the establishment of the English Learner Advisory Committee (Education Code Section 62002.5).</b>
<p><b>COMPOSITION REQUIREMENTS</b></p> <p>The percentage of parents of English learners on the committee must be the same or greater than the percentage of English learners at the school. There is no guidance that dictates the size of the committee, but should be of adequate size to fairly represent the population of English learners attending the school.</p>	<p><b>a. Voting Process by parents of English learners:</b> An election is held in which all parents of English learners have an opportunity to vote and in which the parents or guardians of English learners elect the members of the committee. The peer selection process may include:</p> <ol style="list-style-type: none"><li>1. <b>Ballot By Mail:</b> In the letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with each English learner for parents to vote. Parents from last year's ELAC handle this process and count the ballots.</li><li>2. <b>Voice Vote:</b> In the letter, we encourage all parents and school personnel to attend a meeting where information about ELAC will be provided and elections will be held at the school site. At this meeting, nominations are taken from the floor for ELAC membership and would be elected at that time by voice vote of parents and guardians of English learners. The required percentage of parents of English learners depends on the number of English learners at your school.</li><li>3. <b>Back To School Night Election:</b> In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians of English learners to vote. Parents from last year's ELAC count the ballots.</li></ol> <p><b>b. Members' terms of office:</b> Members will serve one- or two-year terms.</p> <p><b>c. Procedure for replacing a member:</b></p> <p>The procedure for replacing a member shall be pre-determined. Recommended procedures include:</p> <ol style="list-style-type: none"><li>1. Mid-year elections may be held.</li><li>2. Members are replaced using a peer selection process.</li><li>3.
