NEWS FROM CARRILLO ELEMENTARY SCHOOL

Principal Points

Dear Carrillo Families:

We are about to begin our annual state testing called the CST (California Standardized Test) in May. Students in grades 2-6 take this very important test once a year. Your child's teacher has helped your child prepare for this test so that they can do their very best, but we also need your help. Here

are some things you can do at home:

1. Be sure your children attend school every day during the testing window unless seriously ill. Students should be on time, here at school by 8:20 so they do not miss any important information.
2. Be sure your children have a good night's sleep (8-10 hours) every night to ensure they are well rested and ready for testing.
3. Be sure your children eat a healthy breakfast every morning, whether at school or at home.
4. Be sure to encourage your children to do their very, very best. We will have an assembly to motivate our students to do well and take pride in themselves, their school, and their community.

Thank you,
Mrs. Asher
Principal
