MUSTANG NEWS...

Principal's Message

What a great start to the year! I have enjoyed visiting the classrooms and watching all the wonderful learning taking place. It is so exciting to see all the growth from last year to this year already.

Conferences will be starting soon. This is the time to set goals for your child for the year and to learn about what new concepts your child will be learning. I also want to remind you about the parking lot safety. Please drop and pick up your children in the crosswalk. We don't want the children entering your car or leaving your car in other areas as this is not safe for them. Please follow the directions from the teacher on duty. Thank you for your cooperation with this. I look forward to a wonderful school year!

Mrs. Spelber

President's Message

Welcome back to school! I want to personally welcome all of our new kindergarten parents and new families to Enders! We are already on our way to a fabulous school year. Our hospitality chairperson, Cori Thomas, organized a wonderful teachers luncheon. It was a great way for us to let our super teachers know that they are appreciated! Our book fair was a fun success and I wanted to thank Jennifer Brady and Jill Mendonca for doing a great job running it! Our membership drive is still underway. If you haven't already, please turn in your membership flyer. There are extras in the office if you need one! Thank you to Lynn Loquinario for handling our membership. I want to thank all of the families that supported our non-event fundraiser. We were a little shy of our goal, so we are hoping for an excellent response to our See's Fundraiser coming in November! I want to thank our fundraising chairperson, Kimberly Dickerson, for all of her hard work! If you signed up to receive email updates, please be patient with us. Kimberly Dickerson has been working hard to input a lot of information and I will do my best to send out updates and reminders. Please feel free to contact me with any questions, suggestions, or concerns. I hope to meet you at our next PTA meeting!

Sincerely,
Valerie Parize, PTA President

Playground Update

This year, we are planning on fundraising for a new fitness piece of equipment for our upper playground that will give our teachers better PE options to help increase activity levels. Last year, an old piece of equipment was removed from the upper playground, leaving the kids with little to focus on upper body strength. We hope that you will support our fundraiser this year so we can reach our goal and get this new piece installed before the end of the year. As always, we are always accepting donations. Donations are tax deductible, checks payable to Enders PTA.

By inspiring more physical activity, we can make a difference in the overall health and well-being of our students.

If you have any questions or concerns about this project, please email me at michelle_beu@yahoo.com

Thank You,
Michelle Beu

PTA Membership Drive

PLEASE SUPPORT OUR PTA MEMBERSHIP DRIVE!

Thank you to everyone who has turned in their membership form and dues! We have 188 members, so far. With 583 students at Enders, we know we can do better! Becoming a member does not obligate you to anything. It is simply a way of supporting Enders PTA, which in turn, supports your child with fun, educational field trips, assemblies, and programs! Also, if you do plan on volunteering for any of our programs or events (like our carnival), or if you would like to vote on PTA issues, you need to be a member. If you haven't already, please fill out a membership form or stop by the office and pick up a membership envelope. Dues are only \$7.50 for the entire year! Thank you for your support!

Lynn Loquinario
PTA Membership Chairperson

Red Ribbon Week

Red Ribbon week is starting October 25th. This is a great time for you to discuss the dangers of drugs and alcohol with your child. We have a fun "No Drugs" assembly planned along with various activities. Your child will be given a red wristband to wear throughout the week. If you would be willing to help with decorations or posters, please let me know!

Fundraisers Info

Thank you for the great participation in our non-event fundraiser. While we fell short of our goal, we raised just over \$3,600 without having to sell a thing.

Our Fall See's Fundraiser will be starting in November and offers great gift options for the holidays. Start planning now for office gifts and think about gift certificates for those you mail gifts to. They are great gifts and less expensive to mail.

We are excited about the programs PTA will be bringing your children this year and count on your support of fundraisers to fund these enriching and fun programs for our children.

Thank you,
Kim Dickerson
