Welcome Back To School!

Welcome back to what will be an exciting academic experience for you and your child.

Students grow academically and socially through enrichment and intervention programs. Participation in enrichment opportunities here at Garden Park include: chorus, band, Meet the Musicians, Field Day; Student Council, award assemblies, and Art Masters. Intervention strategies include: paraprofessional assistance, modified instruction, Student Study Team (SST), in class and pull out intervention, Special Education, and researched-based teaching strategies. Technological support is provided by having each classroom equipped with internet access, computers, an Elmo, a LCD projector, and an awesome computer lab.

Lastly, I would like to encourage you to become a member of the Garden Park PTA. Our PTA is an integral part of Garden Park Elementary School. The fundraisers, the volunteer hours, and the planned school activities all contribute to the academic and social success of our students. Because of our PTA's ongoing efforts, the students at Garden Park Elementary will be able to participate in study trips, Accelerated Reader, receive awards/recognition, library books, assemblies, and the Art Master's program. Please consider becoming an active PTA member. Every student benefits when you become a member.

For additional information regarding what is happening at Garden Park Elementary, we encourage you to visit our school website (www.ggusd.k12.ca.us/gardenpark). Our website provides you unlimited access to valuable information about the school your child attends.

This year will be an exciting school year for the Garden Park community.

Sincerely,

Gary M. Gerstner
Principal
