Violette Website

Please visit Violette's School Website at <http://www.ggusd.k12.ca.us/violette/>. This important site will allow you to contact all school teachers and staff, see important upcoming events, check the lunch menu for the day, look up helpful educational learning sites and find important information about Violette.

Dear Parents,

Our year is moving very quickly and we are getting ready to complete our 2nd trimester in February. Please remember how important on time attendance is for your student. When students are tardy, they not only miss important instructional minutes, but they create a disturbance to the entire class when they enter late. School begins at 8:00 and all students should be here in plenty of time to be seated when school begins. Please note that chronic attendance issues will lead to disciplinary measures.

I am so impressed with the many positive things happening at Violette. Our 6th graders had a wonderful time in the mountains and represented our school and community by using their best manners and behavior. The director commented to me that it one of the best schools she has seen in YEARS! Great job 6th graders. Daniel Mendoza won our School Math Bee for 3rd graders and will represent our school at the district competition on Feb. 1. We had 50 students attend our movie day as a reward for perfect conduct cards in the first Trimester and, thanks to our 6th grade teachers, Violette was awarded a \$1500 grant from Fedco to help pay for science camp. January was a great month indeed!

February will be a busy month and I hope to see parents at our Pastries for Parents meeting on the 23rd and the School Site Council meeting on the 16th.

Have a wonderful February.

Important Information:

- 1) **Please remember to LABEL EVERYTHING:** It is very difficult to get lost items back to students. Please remember to write YOUR CHILDS NAME and TEACHER on *everything* brought to school
- 2) **Rainy Day Pick-up:** On rainy days, parents will be allowed to enter campus and pick up their students at their classrooms.
- 3) **Please do not park or stop in any area with a red curb.** These areas are for emergency vehicles and the GGPD have been ticketing parents for stopping here. It also causes severe traffic jams in front of school.
- 4) **The front driveway is not for parent cars.** This area has been closed for student safety and should not be used.
